RE: Project classes

Dear Parents, dear students,

We hope you enjoyed the Summer Break and returned healthy and relaxed. The afternoon programme is fixed and a lot of projects can be offered... – you'll have the agony of choice.

Beside our project class offer, students from Year 2 to 4 may choose courses at the CJD Elementary school (Hans-Georg-Karg-Grundschule, Leonhardplatz 5, 38102 Braunschweig) and students from Year 4 up can choose projects at the CJD Grammar School (Wilhelm-Meyer-Gymnasium, Georg-Westermann-Allee 76, 38104 Braunschweig).

The courses will be held in German. In case students choose a course in one of the partner schools, you as parents are asked to pick-up your child from there after the course.

The students taking projects at the CJD Elementary School will be accompanied by boarding students of Year 10 up. The students taking projects at the CJD Grammar School will be accompanied once only – and should be allowed to walk on their own afterwards. It is a short, safe way – they don't need to cross a street. Hence you as parents should decide whether your child is ready to do so or not. In both the contexts, you will be asked to sign an agreement.

Students from Year 1 to 5 have to choose at least one project. All Reception Class students will join the project "Spielerisch Deutsch lernen" twice a week. In addition only a few projects are offered to RC children – the RC team is always happy to offer lots of activities in the afternoon and we feel that settling in to school life and team-building is really important in this age.

If there are more registrations than seats available in a project class, there will be a random draw. You may choose 3 project classes – if only one is chosen by you and you didn't get the seat, you will be assigned to an open slot as available.

Queries, suggestions or praise/constructive criticism are always welcome – you are kindly asked to contact me directly.

Registration:

- Return the filled-in registration form to the respective educator till 17th August, latest.
- The participants list will be published on 22nd August.
- Start of projects: 27th August!

Kind regards,
Elke Brückner
