RE: **IGCSE exam fees for June 2022**

Dear Parents,

The International School Braunschweig - Wolfsburg is a Cambridge International School. We offer Cambridge programmes and register our students for Progression tests, Checkpoint tests and IGCSE exams which are internationally recognized by colleges and universities.

Starting with the spring session 2020, parents will be invoiced to cover the costs for their daughter's / son's registration for the IGCSE exams in February.

We kindly ask all parents to read the **Statement of Entry** which every student will receive after the registration to avoid unnecessary fees after the final entry closing.

Fees per candidate **97.08 € per subject**

After the final entry closing date in February, Cambridge International Examinations (CIE) will charge late fees for any new entries as well as for any entry amendments or syllabus changes. Entries or changes received after the advertised deadlines can cause disruption to carefully scheduled processes and cause significant extra work. Late entry fees are therefore applied to recover the costs of additional processing requirements, and to encourage the submission of entries by the advertised closing dates.

Late entries **55.77 € per entry, per subject**
Very late entries **139.43 € per entry, per subject**

School will pay for any candidate registration applicable for the ICE certificate.

Cambridge ICE entry fee 71.57 € per certificate
