

PINGPONGMANIA Winter 2020 is back!

Don't wait, don't hesitate, just sign up so you are not late!

PingpongMANIA is an annual fixture at our school that has become an excellent way to provide the kids with additional athletic ground, which they could find the interest and excel in, as an alternative to using phones during the breaks. This table tennis tournament in the form of the league is being offered to the students from the Secondary section (Years 6 and up) and all staff members who decide to join in. Matches are played in the gym during the breaks over the course of a few months. All signed up players (students and staff) will be divided into groups. The first round is a pool play. Players accumulate points and based on the number of points they are being ranked. The top players from each group will advance to the playoffs. This playoffs round is a single elimination that means only winners stay in the game and eventually make it to the finals.

If you are interested in taking part in PingpongMANIA 2020, and/or for any inquiries, please contact Marcin Dybka (Sports/ICT teacher) at marcin.dybka@cid-bs.de

Registration deadline is coming up soon!

Playing Sports is fun! Come and play with us!
