Consent to emergency supervision in January 2021

Child's name: _____ Year: _____

- I confirm that there is no possibility of supervision for my child in a private environment and I meet the conditions as set by the government of Lower Saxony.
- I assure that my child did not knowingly come into contact with a person infected with Corona.
- I understand that my child can only take part in the emergency supervision if they are free from symptoms of illness, like cough, sore throat, high temperature.
- I am aware that the distance and hygiene rules and the mandatory wearing of mouth–nose–cover in school apply at all times.
- I am aware that as a parent I am not allowed to enter the school buildings.
- I am aware that the emergency groups are as small as possible (limited to the necessary epidemiologically justifiable level), but there is no “cohort regulation”. The attendance of my child is documented daily.
