## Emergency supervision for Preschool to Year 7

Dear parents and guardians,

As in the past, we offer emergency supervision for Preschool and Reception class students and students of Year 1 to Year 7 if parents meet specific criteria and work in systemically relevant professions.

You are entitled to emergency supervision for your child in Lower Saxony if you meet the following conditions:

1. At least one parent belongs to a profession of general public interest, such as energy or water supply, food supply, IT and telecommunications, finance, traffic and transport, public order, media and culture.
2. If there is a particular hardship, like ordered by the youth welfare office and for children in psychosocial problem areas and precarious life situations.
3. If there are exceptional cases of hardship, such as the threat of job loss or significant loss of earnings, difficulties reconciling work and family, especially with single parents, or when caring for siblings together.

If you cannot find any other way of looking after your child and one or more of the above conditions apply to you, please submit your application for emergency supervision to [koeneke@cjd-braunschweig.de](mailto:koeneke@cjd-braunschweig.de) by **09.01.2021**. Please attach your declaration of consent to your application.

Sincerely

Best regards,

Anne Köneke
