Preliminary Note

At CJD International School, students wear school uniforms to promote a sense of belonging, unity and school pride. Our school uniform contributes to offering a safe and comfortable learning environment.

The school uniform is considered a reflection of the school's value system. Our school uniform allows a neat and orderly appearance appropriate to the school, and students avoid competition in dress.

Our school uniform consists of several pieces with the CJD International School logo on the front side. Our school uniform provider *Dress For School* <https://cjd-braunschweig.dress-for-school.de/> offers a wide selection of items.
