RE: Welcome back to school

Dear students, parents, guardians and staff members,

I hope you all had a relaxing summer vacation and enjoyed spending precious time with your families.

We are happy to start the new school year with regular lessons in every class with a whole-day programme until 4 pm (Scenario A).

However, the Ministry of Education has advised a few safety regulations until 22nd September 2021 to limit the number of infections. You will find more information in the attached documents and all the German documents of the Ministry of Education are available on our homepage.

All classes will start with an assembly on Thursday morning.

We will welcome the students only in smaller assemblies:

Primary Section (Year 2 to Year 5) at 8 am, Assembly Hall

Secondary 1 (Year 6, 7, 8) 8:30 am, Assembly Hall

Secondary 2 (Year 9 and 10) 8:30 am, Gym

Senior School (Year 11 and Year 12) at 9 am, Assembly Hall

We ask students of Middle and Senior School to come to school at the given times and wait outside of the Assembly Hall until we invite them to enter the Hall.

During the assembly, we will introduce the class teams/class teacher to the students, and we will also familiarize them with the new regulations. We will welcome new staff members which we will also introduce to the school community during the next weeks.

Students need to wear a medical mask when entering the Assembly Hall and have to conduct a self test at home in the morning. For more information about the tests, please check the attachment.

I kindly ask you to check your mails regularly to get all the information that we sent out.

I am looking forward to meeting you soon in school.

Best regards,

Anne Köneke
Head of School
